

DEVELOPER STUDENT COMMUNITY

Training & Placement Cell, BIT Durg

ABOUT US

A Community run by students .We at DSC provide exposure and information to students in the field of programming & development and also conduct live projects; helping them to gain industry relevant skills.

VISION AND MISSION

- To provide curated information about opportunities
- To bring developers together
- To collaborate on projects
- To keep our community updated about current technological advancements
- To bring the culture of development in our college and locality

WHY DSC?

NETWORKING

We will help you grow your network.

GUIDANCE

We will guide you through your developer journey.

DEVELOPMENT

We will help in your overall development.

OPPORTUNITIES

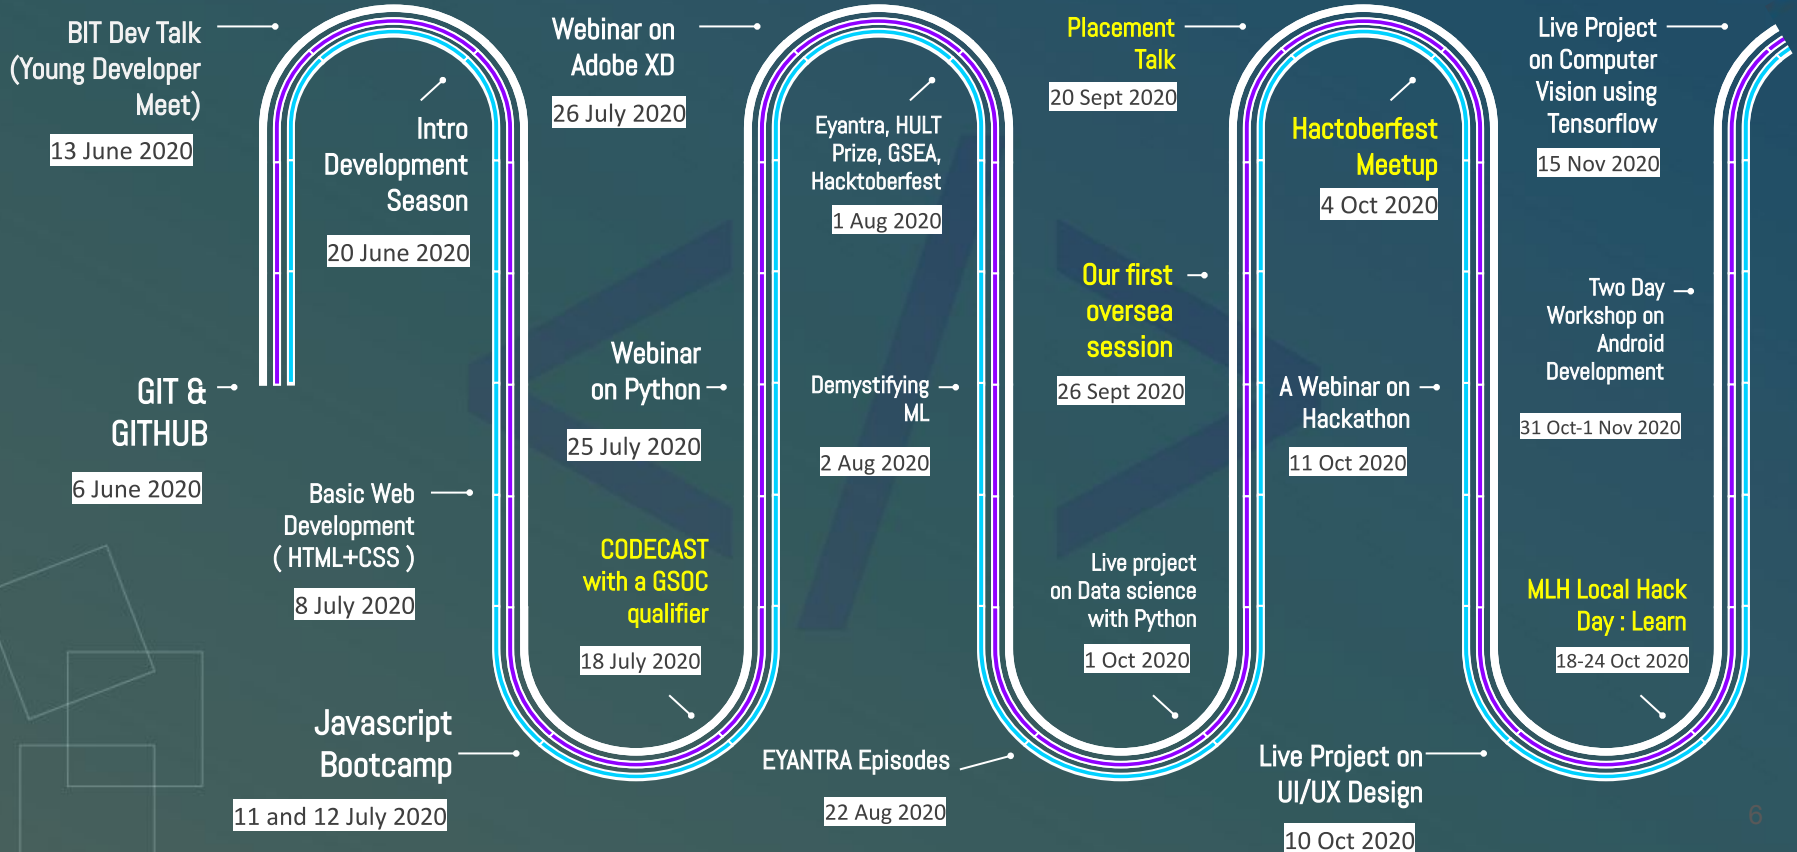

We will bring global opportunities to you.
